His God-Self, meeting the energy qualified by discord and disease, merely changed the vibratory action of the discord and disease in the distressed one, and raised it into His own Peace, His own Healing, and His own Power of Mastery. That Power will come again. It will come through you and through others - all sincere, earnest and loving children of God.

Beloved ones, the future has much in store for all of you. Today, just lean on the Everlasting Arms; feel the God Love flowing from My Heart into yours; feel all the Masters' Love for each of you, individually; and feel your own Holy Christ Self setting your house in order. Just feel the radiation - and accept!

Blessings and Love,

Beloved Children:

The spoken word is the Creative Power of God that moulds the Universal Light Substance into forms similar to the cup which the spoken expression creates, whether it refers to persons, places, conditions or things.

The Holy Breath is within the word, and the consciousness of the individual is charged and surcharged with distorted forms through the misuse of God's Energy in speech. In the same manner, if the spoken word is peace-giving and harmonious in its expression, the consciousness takes on an added glow of Light, and the individual becomes a Comforting Presence to all he or she contacts.

The 'decrees' were consciously presented to man's intellect as a balance for the misuse of the spoken word, as well as for the silent thought through the centuries he has taken embodiment.

In the first place, in order to shatter these distorted cups, one needs energy vibrating at the same rate, but constructively qualified. In other words, it is policy to 'break a cup' created by wrong speech by a vibratory action of correct speech rather than by mental force.

In the second place, the constructive decree, which is always an invocation to a Member of the Ascended Host or to your own Christ Presence, becomes a Cup that the Masters or your Christ

Self can fill with Their Light Substance which creates a pulsating vibration in your consciousness of a quality and activity for a manifestation that will bring more of the Divine Plan into expression.

Thirdly, the spoken word, vibrating at a low rate of vibration which can be heard by the physical ear, is more easily conducted through the mental and feeling worlds of incarnated spirits setting up forms of a constructive nature in their bodies and auras, whereas the finer ethers of mind substance would, by reason of the bodies' density, pass around them unfelt and unnoticed.

One of the rules of the Great White Brotherhood is never to icturize anindividual im erfectl ... Every lifestream is endowed wit the birthright of perfection. God, the Father, created every one in His own Image and Likeness, and decreed Perfection as the natural law of their beings. When an individual recognizes imperfection in any other lifestream in the universe, he is dishonoring the Will of the Father Who created man in His own Image and Likeness. Every person, through thought, feeling, and the spoken word, emits energy and substance from his lifestream, and when the substance and energy is charged with a picture of imperfection, and driven against another individual through the channels of thought and feeling, and intensified by the spoken word, it forms a film or coating around the one to whom the force is directed, which seeks to cover up the Divine Image which God intended, and makes a tremendous karmic link which can only be obliterated by powerful decrees or the use of the Sacred Fire invoked by the sender of the destructive energy. All mankind are condemned by one another, but when an individual becomes a conscious chela, he must learn to think as the Father does about His creation.
